

Just You and Me (Psalm 42)

Key of C

Zach McAnulty

Verse:

I wanna get lost in you
I wanna forget what's all around
Just you and me oh lord
Take me back to the garden
Where I would walk with you
Just you and me oh lord

Chorus:

Your love changes everything
You gave your all for me
Your life was an offering of your love

Verse 2:

I wanna be close with you
To feel your presence all around
Just you and me oh Lord
You gave me your promise
That you would stay with me
It's just you and me my Lord
